

Lumen Christi Parent Questionnaire
(only one form per family needed)

Family Name: _____ **School Year:** _____

Lumen Christi High School encourages parent participation in the enrichment of the school environment. Do you have any special talents or interests you would like to share with the students? Please tell us how you can contribute to our school.

Parent share hours are volunteer hours that are to be completed at Lumen Christi by each family. **Each family is required to complete a minimum of 40 hours (20 hours for single-head-of-household or 20 hours for those with siblings at St. Elizabeth Ann Seton School). 50% of your share hours need to be dedicated to fundraising** activities such as helping out with the annual Gala event, the LUMENary campaign, or working in the concession stand during our sporting events. Your volunteer service time is essential for the successful operation of our school. These parent share hours help curtail the cost of tuition and improve the family-like atmosphere at Lumen Christi. Please check the area(s) you may be interested in volunteering for:
